

### Allegheny College

Allegheny College values the indelible, time-honored tradition of Scouting and appreciates each participant's strong commitment to service, continuous learning and leadership. Scouts of any rank are encouraged to apply for admission and share some membership experiences to ensure all aspects are considered for Allegheny's Trustee Scholarship, a merit-based award valued up to \$37,000 annually.

To also determine eligibility for need-based financial aid, Allegheny recommends all applicants submit the Free Application for Federal Student Aid (FAFSA).
